New Ballard Sign In Procedures!

The Ballard NW Senior Center has gone high-tech with keeping track of who uses the facilities.

Beginning immediately, you will find your name on a card next to the computer as you enter the facility. Swipe your card, and the computer takes care of the rest.

If you don't have a card, then please use our SUPA sign-in sheet and *print* your name legibly. You should then have a card the next time you come to Ballard.

The Ballard NW Senior Center thanks you for your cooperation.

If you have any questions about the process, please see any any SUPA committee member.

(And if they don't have it set up yet, then just please sign in the old way! Thanks!)
