Octopus' Garden

Music & lyrics: Richard Starkey (Ringo Starr)

```
C              Am
I'd like to be under the sea
        F                    G
In an octopus's garden in the shade
C              Am
He'd let us in, knows where we've been
          F                    G
In his octopus's garden in the shade
       Am
       I'd ask my friends to come and see
       F         G
       An octopus's garden with me
```

(chorus)
```
C                 Am
I'd like to be under the sea
          F      G            C
In an octopus's garden in the shade
```
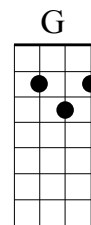

```
C                    Am
We would be warm below the storm
         F                   G
In our little hideaway beneath the wave
C                Am
Resting our head on the seabead
        F                      G
In an octopus's garden near a cave
       Am
       We would sing and dance around
       F                       G
       Because we know we can't be found
```
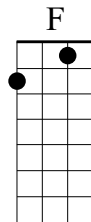

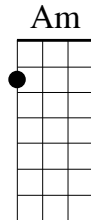

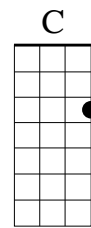

(chorus)

```
C                      Am
We would shout and swim about
        F                     G
The coral that lies beneath the waves
C                 Am
Oh what joy for every girl and boy
F                              G
Knowing they're happy and they're safe
       Am
       We would be so happy you and me
       F                       G
       No one there to tell us what to do
```
